OTHER WAYS TO DONATE

HYGIENE ITEMS

Often when clients come to us, food is not their only insecurity. Hygiene products are often expensive and difficult for those in need to acquire. Products like shampoo, conditioner, hand soap and deodorant are put in hampers for those who express a need.

BABY ITEMS PROGRAM

Our baby hampers are provided to our youngest clients, newborns and infants up to 12 months old. We accept donations of baby food (Stages 1, 2 and 3), infant formula (Stages 1 and 2), and diapers (the most needed diaper sizes are 4, 5 and 6). We accept unopened and opened packages of diapers.

PET FOOD

Whether they talk with their beaks or walk on four feet, our pets are cherished parts of our family and they need just as much help, love and nutrition as we do. Help feed furry family members by donating pet food and treats.

BIRTHDAY PARTY KITS

The birthday room is a special place at the Food Bank. Birthday party kits are available for children aged one to 12, who might not otherwise enjoy the luxury of a birthday party. We accept donations of bags, cards, party supplies, books, art and school supplies, games, toys, cakes mixes, icing, balloons and candles.
